

Renaissance Faire at Sleepy Hollow Spring Fling

Free Vending

We know you have had a tough year. This is a new event and the COVID-19 situation is fluid, so...
vending will be FREE for this event.

Merchants, we hope you will decide to join us for 2 weekends of our new Spring Fling event.

The first weekend, May 8th and 9th, will be all about Pirates and quests. Also included are other popular Renaissance Faire entertainment, food, libations and, of course, SHOPPING!

The second weekend, May 15th and 16th, is Celtic themed with Irish music, dance and Highland Games. Of course we will have a variety of entertainment and all the extras, including SHOPPING!

SATURDAY NIGHTS we will add RAD (Ren Faire After Dark, an adult entertainment component) This is a strictly 21 and over party and you are welcome to keep your shop open for that. In that case you may want to bring in lighting. (We do not have electric hookups for most tent vendors) Details to be announced.

If you are new to vending at Sleepy Hollow, please feel free to contact our loyal merchants and ask about our commitment to our vendors, our loyalty program, yearly drop in their rates, as well as our insistence on producing high quality, well attended, unique Des Moines events.

TWO IMPORTANT NOTES

As always, **every** merchant at this event and **all** future events at Sleepy Hollow, **must** have the following:

1) Iowa Sales Tax ID Number.

Go to: <https://tax.iowa.gov/iowa-sales-and-use-tax-guide>

It's free and doesn't take long and is good for any event you sell at in Iowa.

2) Liability Insurance.

Contact your car, home or rental insurance agent for leads and quotes; you may get a discounted rate.

DEADLINE

We'll accept your application until February 28, 2021, but the sooner you get it in the better. We anticipate more vendors applying, and space is limited.
